On 16 & 17<sup>th</sup>

February 2019

It is our great pleasure to welcome you to the 5th Annual conference of Rita Skin Foundation- Dermoscopy & Trichoscopy workshop, in association with IADVL Maharashtra, to be held in Mumbai on the 16th & 17th of February, 2019. We are putting in our best effort to ensure that this event will be a global scientific celebration, bringing together passionate dermoscopists from around the world, with one moto of gaining and sharing knowledge in this nascent field.

This year's theme being 'Exploring new horizons', will see a convergence of novel ideas, skills and expertise in this field. Our website will give you a detailed overview of the conference and programs. This dermoscopic extravaganza has been planned with a plethora of sessions on basic to advanced dermoscopy, with a potpourri of the who's who in dermoscopy attending and teaching. It is sure to excite both practitioners and students.

The organising team looks forward to welcoming you in the city that never sleeps, Mumbai!
